Questions, Answers, and Review from Sunday's sermon: The Holy Spirit now has John show us the internal character of the city and its privileged citizens. In incredible component of light in New Jerusalem makes us consider the journey of God's light. There is no more curse on man/Creation, and that means so very much in our blessed inheritance.

Scripture says there was/is a divine light from God—not our sun. It is reestablished in the New Heaven. Review the following journey of God's light.

Examples of God's Supernatural Light

- Genesis 1:3-4: a light used to be on Creation
- God's Spoken Word: Noah, Abraham, Jacob, Moses
- God's Written Word: the Law & the Prophets
- Exodus 13:21: God's Guiding Light
- Glory in the Temple
- John 8:12: Jesus

How is the unsaved world still in darkness? See *Ephesians 4:17-19*

The Scripture told us that there will be no temple in New Jerusalem (also no church). Why would there be no need for a house of worship? We are the church. we will be together, in the full, physical presence of God, and we will serve Him perfectly and be served by Him.

On Sunday, it was pointed out that, in the curse, man would be at war with 4 things/persons. What were those 4. Discuss each.

1. At War with God —See *Genesis 3:9-10* & *Colossians 1:21*
2. At War with Satan —See *Genesis 3:15* & *1 Peter 5:8*
3. At War with Each Other —*Genesis 3:16* & *James 3:14-17*
4. At War with Creation —*Genesis 3:17-19* & *Romans 8:19-22*

How does that all change in the New Heaven?
